EXPERIENCE

Airbus Helicopters

Accounting Intern (AR)

Dallas/Fort Worth, TX

June 2025 - Present ○ 1yr

- Led in the automation of a report from a Fortune 50 bank to a presentable dashboard to the manager of treasury. Extensive experience with Bank of America reports and SAP software.
- Tasked with tracking cash and credit card payment, filing and printing invoices. Working under an account specialist handling accounts receivable. Furthered knowledge of accounts receivable and organizational efficiency.
- Based in the headquarters allowing for interactions with the executive staff and intern field days learning management experience.

Tau Alpha Phi

Treasurer

Dallas Baptist University

May 2025 - Present ○ 1yr

- Elected by a chapter of 40 members to handle all treasury, business communications, and dues collection.
- Worked with the DBU business office and vendors to ensure timely payment, handling of invoices, and cash collection.

Dallas Baptist University

Landscaper

Dallas, TX

November 2024 - June 2025 ○ 8 mos

- Tasked with maintaining the grounds on DBU's campus and ensuring timely execution of projects before donor and board visits.
- Trained many new employees due to a high turnover rate. Taught planting flowers, mulching, using heavy equipment, and general grass upkeep.

Charles R Lynch AIA

Architecture Intern

Amarillo, TX

September 2022 - May 2023 ○ 9 mos

- Unpaid internship during senior year of high school through PRO Program. Worked under a license architect being taught and sitting in on meetings in the firm. Had client-facing interactions with large customers.
- Put together a year-end project that was presented to my class of interns. Approximate project material valuation of \$5 million. Thorough hands-on experience with Revit software.

Raising Canes

Fry Cook/Cashier

Amarillo, TX

May 2022 - June 2023 ○ 1yr 2 mos

- Tasked as a kitchen leader to ensure the efficient operations of the kitchen. Made batter, marinated chicken, and made the fingers as ordered. Oversaw a line of cooks in making the toast and fries.
- Trained several new employees in a variety of different roles: Bird dropping, fry cook, and board assembly. Established a culture of productivity and earnestness in the kitchen; making sure every team member felt accounted for and was doing well.

EDUCATION
